Percent Score: _____

Liberty Classes: Calm Default, Backing

Objective: To demonstrate an effective, solid, and fluid calm default behavior at liberty.

Regulations: Liberty Handling

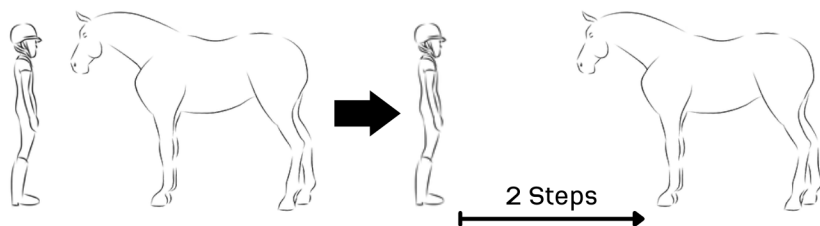

CALM DEFAULT - SIDE

From either side of the equine, the handler should stand still (vocal or stationary body language cues permitted). The equine should stand calmly and patiently with their head forward or away from the handler, ideally with a low headset (poll below the wither)

CALM DEFAULT - FRONT

From the front of the equine, the handler should stand still (vocal or stationary body language cues permitted). The equine should stand calmly and patiently with their head down or away from the handler, ideally with a low headset (poll below the wither)

BACK AWAY, 2 STEPS

From the front of the equine, the handler gives their cue. The equine backs two steps away from the handler, who must remain stationary during backing.
