# CLASS 345: Turn & Burn

**Objective:** To demonstrate effective communication and maneuvering in a full circle around a barrel.

**Equipment:** Liberty Performance

**Arena:** Gymkhana Arena

All Gymkhana patterns should be performed in flat arenas that are clear of other obstacles, have safe footing, and must be enclosed in a safely fenced area. This pattern includes use of 1 or 2 barrels and a clearly marked start/finish line (can be made from sand/powder that contrasts the arena footing, or visual markers on either side). Specific construction is up to the competitor but must be safe and not provide any unfair advantage.
